Selectmen's Meeting:

The Selectmen hold their regular meetings on the second and last Tuesday of each month at 8:00 P.M. (unless a holiday eve or a holiday).

INVENTORIES

The Selectmen will receive inventory blanks, over 65 exemptions, veteran's exemptions and Current Land Use Applications and hear parties regarding their liability to be taxed at the Selectmen's Office from 9 A.M. to 12 noon on Saturday, April 12, 1986.

NOTE: That no appeals for abatements can be considered unless a FULLY completed inventory form has been filed with the Selectmen by April 15, 1986.

Board of Selectmen

THE STATE OF NEW HAMPSHIRE

WARRANT FOR THE TOWN MEETING

THE POLLS WILL BE OPEN FROM 9:00 A.M. to 7:00 P.M.

To the Inhabitants of the Town of Warner in the County of Merrimack in said State, qualified to vote in Town Affairs;

You are hereby notified to meet at the Warner Town Hall in said Warner on Tuesday, the Eleventh day of March, next at 9:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to amend the existing Building Code as follows:
 1. Amend Article II Section A to read: No building/structure to be used as a dwelling or for commercial purposes shall hereafter be constructed, moved or altered except in conformity with the regulations specified for the zone in which such property is situated. Any exterior construction shall be done with a building permit to be issued by the Board of Selectpersons or the Building Inspector. Normal repair, restoration or improvements, interior or exterior, which does not alter the principal use of a building shall not be deemed to require a building permit.
(Clarification: \$1,500.00 minimum value is being deleted from original article as it cannot be administered fairly.)
 2. Amend Article II Section B, paragraph 6 by adding 6(a) which reads: Change of use of a structure from seasonal to permanent residency shall require and must be able to sustain a state approved waste disposal system in accordance with the standards then applicable.
(Clarification: to maintain adequate health standards)
 3. Amend Article VI to read: Every person, persons, firm or corporation violating any of the provisions of this ordinance shall be fined not more than One Hundred Dollars (\$100.00) upon conviction for each day the violation exists.
(Clarification: to conform to State Law)
3. To see if the Town will vote to amend the existing Zoning Ordinances as follows:
 1. Article III (DEFINITIONS) by adding Section R which reads: "Seasonal Dwelling" is any structure not used as a primary residence and used for no more than 6 months of any year.
(Clarification: self explanatory)
 2. Article IV Section E(b) to read: On any premises where a business permitted by this ordinance is conducted, two advertising signs relating to the business conducted on the premises may be erected. Where such signs are greater than (4) four square feet in area, except for the commercial zone, they must be affixed to the building in which the business is conducted in such a way as to be immediately adjacent to and on a plane parallel with the wall of the building. In the commercial zone only, signs equal to twenty-four square feet (24) or less are permitted.

(Clarification: signs in Commercial area only may be 24 square feet and not attached to the building)

3. Article IV Section E(d) to read: In any district, signs not exceeding four square feet (4) in area to point direction to residences, businesses or meeting places are permitted subject to approval of the Board of Adjustment after a public hearing.

(Clarification: increased to 4 square feet so it is easier to see)

4. Article XIV (NON-CONFORMING USE) Section b by adding (c) which reads: the lot is able to sustain a state approved waste disposal system or connect to municipal sewage.

(Clarification: Non-conforming small lot sizes may not be able to sustain an approved disposal system.)

5. Article XVI (BOARD OF ADJUSTMENT) Section C by adding (d) to read: OC-1 and OR-1 Districts only-use of structures must conform to road access and availability of all services to that parcel at the time the special exception is requested.

(Clarification: To agree with the Master Plan for development of these areas)

6. Article XVIII (PENALTY) to read: Upon conviction thereof, every person, persons, firm or corporation violating any of the provisions of this ordinance shall be fined not more than One Hundred Dollars (\$100.00) for each day such violations shall exist.

(Clarification: To agree with State Laws)

4. To see if the Town will vote to amend the existing Use Table as follows:

1. RESIDENTIAL

1. To change so that one-family detached dwelling shall be permitted in the OC-1 and OR-1 with Special Exception(S)

(Clarification: Some roads are open year round and could provide emergency services, but not all)

2. RESIDENTIAL

4. To change by adding the following: One-family seasonal homes in the OC-1 with Special Exception(S)

(Clarification: Some roads are not accessible year round)

3. AGRICULTURAL

1. To add the word Aquaculture so that the article will read: Agriculture, aquaculture, horticulture, commercial forestry and floriculture except a green house or stand for retail sale.

(Clarification: raising of fish is a natural addition due to the river and brooks in Warner)

2. To add the word Aquaculture so that the article would read: Year-round greenhouse or stand for wholesale and retail sale of agricultural, aquacultural or farm products.

(Clarification: raising of fish is a natural addition due to the river and brooks in Warner)

4. WHOLESALE TRANSPORTATION & INDUSTRIAL

5. To change so that wholesale trade and distribution in the B-1 is with Special Exception(S) and in the C-1 District will be permitted (P).
(Clarification: legitimate for these areas)

6. To change so that: open storage of raw materials, finished goods or construction equipment & structure for storing such equipment in the R-2 District will be with Special Exception(S).
(Clarification: to agree with #1 under this section)

9. To change so that: light industry firms such as, but not restricted to: electronics, assembly, machine shop, woodworking, computer and technology, etc. will be in the B-1 District with Special Exception(S)
(Clarification: legitimate use for this area)

ADJOURN: FOR BUSINESS MEETING
Wednesday, March 12, 1986 at 7:30 P.M.

5. To see if the Town will raise and appropriate the sum of \$10,000.00 (Ten Thousand Dollars) to be placed in a Capital Reserve Fund for the purpose of purchasing a fire truck (Recommended by the Budget Committee and included in the Budget).

6. To see if the Town will vote to have the town re-evaluated and to raise and appropriate the sum of \$20,000.00 (Twenty Thousand Dollars) to be placed in a Capital Reserve Fund for this purpose and to appoint the Board of Selectmen as agents to administer the fund. (Recommended by the Budget Committee and included in the Budget).

7. To see if the Town will raise and appropriate the sum of \$11,200.00 (Eleven Thousand Two Hundred Dollars) for the purchase of a police cruiser and to authorize the withdrawal of \$1,400.00 (One Thousand Four Hundred Dollars) from the Capital Reserve Fund (which was established in 1985) and the balance to be raised by taxation. (Recommended by the Budget Committee and included in the budget).

8. To see if the Town of Warner will raise and appropriate the sum of \$62,800.00 (Sixty Two Thousand Eight Hundred Dollars) for the purchase of a truck for the Highway Department and authorize the Board of Selectmen and Town Treasurer to borrow \$25,000.00 (Twenty Five Thousand Dollars) on note or notes of the town to be paid off in the sum of \$12,500.00 (Twelve Thousand Five Hundred Dollars) plus interest annually until said note or notes are paid in full and the balance (\$37,800.00) to be raised by taxation. (Recommended by the Budget Committee and included in the Budget).

9. To see if the Town will vote to appropriate and authorize withdrawal from Revenue Sharing Funds for use as set off's against budgeted appropriations for the following specific purpose and in the amount herewith or take any other actions hereon: (Recommended by the Budget Committee and included in the Budget).

APPROPRIATION	AMOUNT
Oiling	\$20,000.00

10. To see if the Town will authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes on the note or notes of the town.

11. To see if the Town will raise such sum of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

12. To see if the Town will vote to raise and appropriate the sum of \$17,000.00 (Seventeen Thousand Dollars) to open Day Pond Road from a Class VI Highway to Class V Highway for a total length of 0.3 miles. (Submitted by petition and not recommended by the Budget Committee and not included in the Budget).

13. To see if the Town will vote to have the Appraisal Division of the Department of Revenue Administration, or a private firm conduct a complete revaluation starting in 1986 and to be completed for use beginning in 1987, and to establish a capital reserve fund for the purpose of conducting such revaluation and to appoint the Selectmen as agents to administer the fund.

To see if the Town will vote to raise \$60,000.00 to be placed in the capital reserve fund for revaluation of the Town by the Appraisal Division of the Department of Revenue Administration, or a private firm. (Submitted by petition and not recommended by the Budget Committee and not included in the Budget).

14. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 to upgrade Horne Road from a Class VI Road to a town maintained road, a distance of approximately 300 feet. (Submitted by petition and not recommended by the Budget Committee and not included in the Budget).

15. To see if the Town will vote to raise and appropriate the sum of Two Hundred Seventy Thousand Dollars (\$270,000.00) to rebuild Newmarket Road beginning at Old Roby Road in a southwesterly direction up to and including Douglas Newton's house, a distance of 1.7 miles. (Submitted by petition and not recommended by the Budget Committee and not included in the Budget).

16. To hear reports of the Officers of the Town heretofore chosen and Committees appointed and pass any vote relating thereto.

17. To see if the Town will vote, under RSA 31:95-b to permit the Board of Selectmen to apply for, accept and expend (after a public hearing) gifts and grants on behalf of the Town of Warner.

18. To see if the Town will authorize the Tax Collector to accept prepayment of taxes.

19. To see if the Town will authorize the Board of Selectmen to sell property taken for taxes and to notify abutting property owners of pending sale.

20. To see if the Town will vote under RSA 31:39 to permit the Board of Selectmen to adopt by laws on behalf of the Town of Warner until the next annual meeting.

21. To see if the Town will vote to oppose the burial, storage, transportation, and production of high level radioactive waste in the Town of Warner and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the U.S. Department of Energy's (D.O.E.) present plan to dispose of radioactive waste, and into the D.O.E.'s competence to carry out such a plan. (Submitted by petition).

22. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 11th day of February, in the year of our Lord Nineteen Hundred and Eighty-Six.

BUDGET COMMITTEE

SELECTMEN'S REPORT

Normally, due to the holidays, each year ends with a happy and joyous feeling BUT not 1985. There are many concerned individuals and some angry individuals within the town.

We would like to take this opportunity to address these individuals in the first part of our annual report.

The Town of Warner is not only growing but also developing. These factors we can not stop but can control through our Zoning Ordinances. The Planning Board and Zoning Board of Appeals can only enforce or approve what the voters of the town mandate by their vote at town meeting. Stricter limitations of these ordinances have been soundly defeated by those attending the required hearings and thus have not been brought before the entire town for their vote in the past. Although the general public had the opportunity to submit changes in the Zoning Regulations and Building Code this year (as in every year), only 1 individual and the Board of Selectmen took the initiative and time to offer changes for the voters to act upon in March 1986.

Increase of assessments (for some) and an increase in the tax rate (for everyone) resulted in an increase in everyone's taxes. Individuals are questioning Why?

1. The tax rate is a result of the budget that persons attending the annual Town meeting have approved. Remember when you vote with your heart and not your head you will have to pay.

2. For several years this office has been unhappy with the performance of the appraisers but how do you find another company or individual (that has been approved by the Dept. of Revenue Administration to do this work in N.H.) to take over. We found such a person this year. At the present time our Zoning does not require a building permit for any interior renovations. Knowing that many improvements have been done since the re-appraisal in 1978 and that individuals have not reported this on their annual inventory, we sent Mr. French out to review these properties as well as those improvements that had been reported and new building construction (this requires a permit). As a result of this, we are going to review approximately another 500 residences this year and recommend to the Budget Committee the establishment of a Capital Reserve Fund for the purpose of a complete re-appraisal in the near future.

3. Knowing that the taxes in the town are quite high, this office has for many years relied on volunteers to assist. Although the thought is ideal, it does not always work. The enthusiasm of the volunteer often dwindles and other things come up and take priority. We therefore are finding we have to consult more frequently with a professional company or individual in a particular field.

What does the future hold for Warner? We would like to share with you some of our thoughts to better prepare you when these items are brought up.

1. Town Offices...Space in the Selectmen's Office currently is not adequate. The Town Clerk's Office is in the basement making it difficult for the elderly and the handicapped. The Board of Selectmen initiated a Space Committee this year to review this problem (among other space projects) and their recommendation is that an addition, to be placed on or adjacent to the Town Hall, be top priority.

2. Town Office Hours...these offices will have to be open to the public more hours each week in the near future.

3. Administrative Assistant/Town Manager...Most Selectmen work at a full time job and are unable to be physically present in the office on a day to day basis as problems arise and decisions have to be made. We can also see that this individual would be able to co-ordinate the various departments better and with more efficiency. This would be a full time position.

4. Semi-Annual Taxation...We are fortunate to presently have a Treasurer that works diligently at investing money on behalf of the town so that the interest we pay on borrowed money is reduced by the interest that invested money is making. This year the town had to borrow \$950,000.00 in March to meet their obligations. This all had to be paid back in December plus interest.

5. Moral Support...Those unpaid individuals that are putting in many hours to benefit the town (Planning Board, Zoning Board of Appeals, Budget Committee, etc.) are not going to continue to work the hours they do if the general public continues to hinder, hassle and criticize without also receiving a positive and supportive attitude. This also applies to the Board of Selectmen's Office. For a salary of \$1100.00-1400.00 a year and the demand of 24 hour a day availability (i.e.: phone calls at 4:00 A.M. because a road is not sanded) and immediate response to all problems...how are we going to find qualified individuals to fill these positions?

We were fortunate for many years to have Rees Hanbury (retired) available to this office but sunny Florida called him. Lee Brewster agreed to take this position until March 1986, and has been an asset to us — thanks, Lee.

6. Highway Department...the Warner Highway Department, with their present equipment should NOT be in the road construction business, but maintenance of what we have. This would be less wear on our equipment...giving it longer life... more years of use and less out of the taxpayer's pocket.

Times are changing, development is coming, growth is continuing and we hope that you will take our ideas and suggestions seriously.

POLICE DEPARTMENT REPORT 1985

The department activity figures accompanying this report reflect the major law enforcement operations carried out by this department during 1985. It is with regret that this report must include mention of an accident in mid-December involving the department's cruiser which resulted in a claim for total insurance. At the time of this report, a replacement has been ordered on the state bid contract. Motor vehicle violation figures in the summary include those associated with radar unit use in connection with road safety enforcement. Your attention is directed to the observance of posted speed limits within the town, especially the Main Street area and those streets and roadways densely populated. There has also been a noticeable increase of violations associated with the following "Rules of The Road" offenses:

Stop Sign violations — rolling stops are illegal and the habit of not coming to a full stop in order to carefully observe traffic and pedestrian traffic can result ultimately in a serious accident.

Yield Sign violations — Motor vehicle operators approaching an intersection with a YIELD sign against them are required by law to obey that traffic control device and be prepared to stop or give way if necessary to any vehicle approaching that intersection with the right of way. The intersection at Schoodac (Webster) Road and Route 103 has been the location of a number of near misses during the past year. Extra caution is required at all YIELD intersections if serious accidents are to be avoided.

Backing Accidents — During 1985, a number of accidents have occurred on Main Street as a result of vehicles backing out of parking places. Diagonal parking calls for extreme care when backing out to prevent accidents involving other vehicles or pedestrians. Backing out of driveways into traffic is also a hazardous practice and should be avoided if at all possible.

Other dangerous situations observed by this department concerns the riding of bicycles by youngsters and others after dark without the required front and rear lighting/reflector equipment. Bicycle operation on the highway is governed by the Motor Vehicle statutes and bicycles must be properly equipped and in good repair to avoid serious consequences. Complaints about OHRV and snowmobiles illegally on roadways and over private property without owner's permission are increasing. Violators are subject to court summons for these offenses as well as removal of the machines from the scene by wrecker service if the officer deems necessary. The proper and legal operation of OHRV's and snowmobiles are clearly set forth in the laws governing their use. Operators would be well advised to acquaint themselves with and observe these rules before becoming involved in serious accidents and costly court procedures.

Your attention is also directed to the number of lost bicycle complaints received during the year. Most of these bikes are recovered subsequent to the report but a little extra care in securing or storing them against theft or "borrowing" would be much easier than trying to locate them after they have been taken.

The number of burglaries investigated was up in Warner and surrounding communities as well. A number of these felonies were cleared by the arrest and conviction of individuals responsible with recovery of some stolen property. Cooperation of the Sheriff's Department, City of Concord and State Police as well as local agencies brought about the apprehension of those involved.

Wayne Eigabroadt, a Warner resident, has been employed by this department in the capacity of patrolman trainee. He is currently enrolled in part time officers certi-

fication training at the N.H. Police Standards and Training Facility in Concord. In-service training will also be ongoing during this period so that following certification, he will assume regular scheduled patrol duty. We welcome him and look forward to working with him.

Finally, once again I take this opportunity to publicly acknowledge with sincere appreciation the efforts, support and assistance provided by members of this department, the Warner Board of Selectmen, Chief Paul Violette and members of the Fire Department in addition to the N.H. State Police, Merrimack County Sheriff and the County Attorney's office. A special note of thanks to the N.H. Police Standards and Training Council under Director Earl Sweeney for the enforcement training courses made available to us during 1985.

OTTO W. FREDERICKS, Chief
Warner Police Department

OTTO W. FREDERICKS,
Chief

WARNER FIRE DEPARTMENT REPORT

For the year ending December 31, 1985

The Department responded to a fewer number of incidents this year compared to 1984, however, 1985 still turned out to be a very active year.

We started with a "recruit training school" during January, February and March, with six of our new members completing the 8 week course. Captain Edward Monaghan conducted the course with assistance from other Department members. Then in March and April several of the members successfully completed a First Responder Course conducted by State Instructors. This course required approximately 50 hours of instruction and testing. Those who completed the course received a license from the State of NH.

Engine One (1973 GMC) was taken to Valley Fire Equipment in Bradford during the summer for needed body repairs and minor modifications.

The Department members also practiced for the upcoming "Hand-Pumper Muster" which was held during the Fall Foliage Festival. It was worth the practice as we won the New England Championship for the 3rd year in a row. There were old Hand Pumpers from all over the New England area competing for the trophy and prize money. Next year we will travel to Connecticut to defend our title.

1985 also saw many changes within the roster of the Department. Deputy Chief John R. Hill retired in December after serving the Department and the Town for 35 years. John will be greatly missed by all who served with him and we wish him well. We understand he will still be the Fire Lookout on top Mt. Kearsarge during the summer months, so he will still be a part of the Fire Service for many years. Deputy Chief Donald S. Hall resigned in December completing over 17 years of service. Don was always very active in the Fire Service and could always be counted on to respond on any call.

I also chose not to run for re-election to the Office of Chief for 1986 and at the Department meeting on December 3rd new officers were elected. They are as follows: Chief — Edward Monaghan, Sr.; 1st Deputy Chief — Rondal Piroso, Sr.; 2nd Deputy Chief — Denis Hamilton. The new Chief Officers are all well qualified and have many years of service as Line Officers on the Department to fall back on. I will remain on the Department as a Firefighter and will also remain as Forest Fire Warden for the Town.

A great big thanks to the Members of the Department who stood by for many hours during Hurricane Gloria this fall. Thankfully there were not major problems, however, we were ready.

I would also like to thank everyone who has worked with me during the past 12 years that I have been Chief of the Department and wish the new Officers well in the years to come.

PAUL E. VIOLETTE, Chief

REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER

Between July 1984 and June 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of state timber harvest regulations is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

FOREST FIRE STATISTICS — 1985

KEARSARGE VISITING NURSE ASSOCIATION 1985 ANNUAL REPORT

The Kearsarge Visiting Nurse Association provides professional and compassionate home care services to the residents of our ten-town catchment area. Your town appropriations are essential in supporting the Agency's home care and health promotion programs. Below are the services provided to people in your town in 1985.

HOME CARE PROGRAM

Skilled Nursing	Home Visits 238
Physical Therapy	
Occupational Therapy	
Speech Therapy	Home Visits 26
Medical Social Worker	
Homemaker/Home Health Aide	Home Visits 121

HEALTH PROMOTION PROGRAM

Adult and Child Home Visits	76
Adult and Child Clinic Visits	171

With your help, Kearsarge VNA can continue to provide cost effective health care in the home, allowing for shortened hospital stays and the prevention of unnecessary nursing home admissions.

Thank you for your support and confidence in our organization.

Robin Gallup, RN
Co-director

Tanya Wilkie, RN
Co-director

Your town representatives on our Board of Directors are:

Mr. Victor Kumin

Mrs. Alice Chamberlin

Mrs. Pat Murray

KEARSARGE CHILDREN'S CENTER, INC.

On September 17, 1985, the Kearsarge Children's Center, Inc., a non-profit day-care located in the C.A.P. building in Warner, NH, celebrated its first year of successful operation. Providing the Kearsarge area with a licensed childcare facility that was affordable to all families regardless of income, took over a year of thorough planning and fundraising by dedicated volunteers. These volunteers were committed to providing their community with such a needed service. This need for a daycare was confirmed and documented by means of a survey taken in the area in the Fall of 1983. Further confirmation came when volunteers met with State licensing, USDA and Title XX officials. The officials shared their concern about the obvious lack of licensed daycare in this area of the State.

The Kearsarge Children's Center, Inc. opened its doors to children ages 2-6 on September 17, 1984. The center provides a reliable, quality childcare program to families. The center is open Monday through Friday, 7 A.M. to 6 P.M. USDA hot lunches and snacks are served.

During this first year, KCC has grown. The center now serves over 40 families in the Kearsarge area, with enrollment continuing to increase.

Our staff is professionally trained and meet the State of NH's rigorous guidelines for daycare employees. These staff members are directed by Rosemary Brofos, a Warner resident.

KCC's eleven member Board is the governing body of this nonprofit organization. Board members are Bradford, Sutton and Warner residents who are committed to quality childcare. This Board meets monthly with an annual meeting held in April.

In April 1985, KCC, Inc. became accepted as a United Way agency. Funding from the United Way of Greater Concord begins in February 1986. KCC has been allocated \$5,000, plus another \$6,000 of matching funds. Funding such as this is extremely essential for our organization to provide the quality programs that we now offer.

The \$2,400 that KCC received from the Town of Warner in 1985 was utilized to aid in the yearly usage fee incurred from the Community Action Program

The Kearsarge Children's Center, Inc. greatly appreciates the support and cooperation that it has received from the Town of Warner and its residents. We believe that our organization is providing the Kearsarge area with an essential, viable community service. KCC, Inc. is excited and looks forward to another growing year ahead. Please feel free to visit our facility on the first floor of the C.A.P. building during our operating hours.

Respectfully submitted,
Margaret Hunt-Szymkowicz
Board Member: KCC, Inc.

REPORT OF THE COMMITTEE ON NAMING OF ROADS WITHIN THE TOWN OF WARNER TO THE SELECTMEN

At the request of the Fire Chief, the Selectmen by letters on 12 June and 31 July initiated a committee for the purpose stated above. The committee was to discuss the problem of duplicate names of many of our roads with the view of eliminating problems arising in emergency situations. A report by December was verbally requested.

The Committee, consisting of Hank Aplington, Chairman, with John Hill representing the Fire Department, Otto Fredericks the Police Department, and Allan Brown, Road Agent, the Highway Department, met on Monday, 19 August and weekly thereafter. The specific problem addressed was to identify Town roads with such specificity that in emergency calls there would be minimum delay in response, i.e., fire and police personnel and equipment would have no question as to both the location of and the most direct route to the site of the call. The Committee developed the following guidelines:

1. Reference would be made to the map of the Town of Warner, approximately 1:36,205 (1" = .57 mi.) printed by Dick Brayshaw, noting that on both the Brayshaw map and the Geological Survey map of the area the designations of Clark Hill and Stanley Hill are reversed from local usage.

2. Since the names of individual property owners change over the years, designations of specific roads and their limits and locations would be keyed, as far as possible, to numbered road junctions (RJs) as shown on the 1:62,500 U.S. Geological Survey map and to unchanging natural and political features.

3. The designation "Road" should indicate a thoroughfare open at both ends (Webster's New Collegiate Dictionary), those not open at both ends as "Lane," and those Town roads created by the relocation of State roads and open at both ends as "Loop." To indicate the true physical status of impassable but still legal roads, the "Trace" was selected.

4. The numerical designation of State roads would be retained and the Committee would not make recommendations concerning streets within the Precinct, those being outside the scope of our charter.

5. Discontinued roads would not be considered if the Committee had reason from Town records to believe that they had in fact been thrown up.

6. It was the consensus that the least possible change from current common usage would be recommended.

7. Roads should have specific, identifiable, and permanent beginnings and endings.

8. Where new usage is recommended, an attempt would be made to associate the recommended name with some historic, well known, or traditional person or installation.

9. The Committee recognized, however, that because of accepted usage or historical precedent, there would be exceptions to the general principles governing the recommendations.

Valuable assistance and guidance was received from the 1926 survey of the roads of Warner in that it established a baseline for the status of roads as of that year, feeling fortunate that Harold Dow was available to interpret the wording of the survey.

Without him, valuable history of Warner would have been lost. (The survey and accompanying map was previously furnished to the Selectmen.)

After serious consideration and lengthy deliberation, consensus was reached as is set forth on the appended appendix in which the roads are arranged geographically.

Respectfully submitted,

HENRY APLINGTON II, Chairman

JOHN HILL, Fire Department

OTTO FREDERICKS, Police Department

ALLAN BROWN, Road Agent,
Highway Department

Appendix: Recommendations of the Committee.

ADDENDUM TO THE REPORT OF THE NAMING OF ROADS COMMITTEE

After the report was submitted to the Selectmen on 20 November, 1985, we noted that RSA 251:6 (Extracts from Revised Statutes Annotated pertaining to Highways, Bridges, and other related statutes, revised 1972) provides among other things that "...nor shall any highway be named after a living person."

Accordingly, the committee withdraws the recommended name KUMIN LANE (p 9) and substitutes the name HARRIMAN LANE. We believe this is appropriate because when the Waldron Road was discontinued in 1861 it was so discontinued from "the west line of John Johnson's farm to the east line of James M. Harriman's farm." The Harriman land is now Kumin's.

All members of the Committee concur.

As to the mechanics of carrying out the recommendations of the Committee, we note that RSA 251:1 through RSA 251:3, which give the Selectmen certain responsibilities pertaining to the naming of roads and of changing the names, shall be in force when they have been adopted by majority vote at any regular meeting. I do not recall finding such a vote in my road research though it may at some time have been so voted.

For the Committee,

HENRY APLINGTON II

RICHARD U. COGSWELL

From the time "Dick" Cogswell was elected to fill the Trusteeship long held by his mother, he worked with dedication to assure that the Pillsbury Free Library would be maintained and improved as a beautiful building and treasured resource for the people of Warner. His gentle humor and generosity and his tolerance and open-mindedness made him a great asset to the library. "Dick's" abilities and character are missed; he is fondly remembered and deeply appreciated by those he served as well as those who served with him.

New Borrowers — 97 Registered Families/Individuals

This past year has been an extremely busy one for The Pillsbury Free Library. First and foremost, Mrs. "Mae" George retired after serving as Head Librarian for 30 years. An Open House was held in May to honor Mrs. George. The large turnout of appreciative residents made it easy to understand why Mrs. George was selected as "Citizen of the Year" by The Warner Men's Club this past October. As trustees, we represent many others when we extend our appreciation to Mae George for her dedication and numerous contributions to the library.

The search for a new librarian began in February. We felt very fortunate in receiving applications from eight interested individuals. The decision was difficult due to the high quality of the applicants, but we felt very fortunate and pleased in having Ms. Nancy Ladd of Warner accept the position as Head Librarian. The transition went smoothly due to the help of "Mae" George, Assistant Librarian Pat Leary and Trustee Julie Sweeney who assisted with orientation. Ms. Ladd attended a 10-session Library Techniques Children's Literature course in Keene this fall. This course is organized by the State Library for new librarians. Ms. Ladd will be attending other classes in the series in 1986. Ms. Ladd and volunteers organized and held a Book Sale during the Fall Foliage Festival. It was very successful and 20% of the proceeds were given to the FFF fund. More volunteers are needed for this type of book sale to continue.

In April, we were saddened by the death of fellow trustee, Mr. Richard Cogswell. He had been actively involved in library affairs for many years and his interest and participation will be greatly missed by the community. Mrs. "Mae" George was appointed by the Selectmen to fill his position until election time.

We have had several new additions to the library this past year. A new, larger book deposit box was required to keep up with the continuing increase in book, magazine, and record circulation. A new film strip projector was purchased due to the larger groups of children who are visiting the Children's Room. Three separate story hours are held every Thursday to accommodate a total of approximately 40 pre-school children. We have also had repairs to the chimney made and interior painting of the stairs and ceilings completed. Flowers were planted on the library grounds this past summer and we hope to continue this practice. As many of you know, we now have a suggestion box at the main desk and have been quite pleased with the number of comments and suggestions which we review monthly. The library belongs to the town and we feel your input is extremely important.

A large number of comments received have dealt with the issues of library hours. In light of this, the trustees responded by conducting a survey. The survey focused on the issues of hours and was distributed in the Clarion. Five percent of the surveys were returned and indicated a desire for more evening hours and perhaps being open on Saturdays.

There is a need to increase our hours in order to comply with the updated Library Standards which were passed on the state level this year. To be included in the State-wide Library Development System, a library in a town of our size will be required to be open 22 hours a week by January 1988 instead of our present 15 hours. Membership in this system qualifies our library for valuable state and federally funded services. The trustees are addressing this issue and will keep the town informed.

A long-term project facing us is the need for additional space in the library. We need more shelf space and a separate study-reading area which could at times be used for group activities.

As always, we invite the public to attend our monthly trustee meetings which are held at the library every third Tuesday of the month. Secretary's minutes are now posted at the library. The librarian will continue to keep the public informed of new books and records purchased and other library news in the Clarion each month. We look forward to a very busy and productive 1986.

Respectfully submitted,
SARA LISA McNEIL,
Chairperson

PLANNING BOARD

1985 ANNUAL REPORT

In the last year two lot-line adjustments and 11 subdivisions were approved, including one which was withdrawn. A total of 11 new lots were created. The suit against the town for a subdivision denied the previous year was dropped.

Site Plan Reviews were conducted on six properties. Three of those were for expanded or new business uses in business and commercial zones. The other three were for multi-family units in residential areas, and will result in 11 new household units. Hearings were held prior to all these actions.

The proposed changes and additions to the Zoning Ordinance, printed elsewhere in this year's report, reflect recommendations and much discussion with the selectmen, zoning board, town counsel, and concerned citizens. We ask the voters to approve these needed changes.

We appreciate the support and spirit of cooperation shown by many Warner citizens in the last year. The town is faced with change in the years ahead, as population growth spreads to our region of the state. We welcome and need this continued interest.

In closing we want to recognize the passage of our former chairman, E. Allen "Ace" Parker, whose absence we felt in the last year. Ace was a forceful advocate for Warner in state government. Locally, he guided the development of our subdivision regulations and site plan review procedures. He kept us informed about the legislature's activities so that we could plan for law changes ahead of time. Ace had Warner's overall well-being at heart and worked many hours looking out for the town's interests. We feel fortunate to have benefited from his leadership and many years of devoted service.

Respectfully Submitted,
JANE B. HOLLIDAY, Chairman

**WARRANT FOR WARNER VILLAGE FIRE DISTRICT
ANNUAL MEETING
1986**

The State of New Hampshire

To the inhabitants of the Warner Village Fire District in the Town of Warner, in the County of Merrimack, in said State, qualified to vote in Precinct Affairs:

You are hereby notified to meet at the Town Hall in said Warner on Tuesday, the 18th day of March next, at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Commissioner for three years.
3. To choose a Clerk, Treasurer, two Auditors and other agents or Officers for the ensuing year.
4. To hear the reports of the District Officers and Committees for the preceding year and pass any vote in relation thereto.
5. To see if the Warner Village Fire District will vote to change the purpose of the Capitol Reserve Fund of \$11,000.00, plus interest from Improvements of Water Supply, To: Improvements to Water Supply and/or Studies of Supply within the District, and to make Land Acquisition for the protection of Water Shed areas of the District and the Commissioners acting as Agents of the Capitol Reserve Fund.
6. To see if the District will vote to amend the Schedule of Rates, Page 10, of the Warner Village Fire District Regulations to Read as follows:

FOR WATER USAGE

First 10,000 Gallons or part thereof:

Quarterly Minimum Charge-----\$20.00

Next 15,000 Gallons at \$1.08 per 1,000 Gallons

Next 25,000 Gallons at \$0.88 per 1,000 Gallons

All usage over 50,000 Gallons at \$0.72 per 1,000 Gallons

FOR SEWER USAGE

Sewer charge of \$5.031 per thousand gallons based on 90% of Water Meter reading.

7. To see if the Warner Village Fire District will vote to authorize the Commissioners to apply for, receive, and expend all grants, as may be available for Improvements to or for, and/or for any Study as may be required and as concerns the Care and/or Improvements of the Water and/or Sewer Systems of the District.

- 8. To see if the Warner Village Fire District will vote to authorize the Commissioners to expend the sum of \$350,000.00 for a Water Storage Facility with required Water Lines. Said sum of money to be obtained by a Grant from the Office of State Planning for the State of New Hampshire.
- 9. To see what sums of money the District will vote to raise and appropriate for Care and Improvements of the Water and Sewer Systems and for Fire Protection.
- 10. To see if the Warner Village Fire District will vote to authorize the Commissioners to accept Gifts and Grants on behalf of the District.
- 11. To see if the Warner Village Fire District will authorize the Commissioners and District Treasurer to borrow money in anticipation of Taxes, Water and Sewer Rents on the Note, or Notes of the Warner Village Fire District.
- 12. To transact any other business that may legally come before said meeting.

Given under our hand and seal, the 5th day of February, in the year of our Lord, One Thousand Nine Hundred and Eighty-six.

FRED O. WHITMAN
JACKSON M. HUNT
L. EARL NICHOLS

Commissioners
of the
Warner Village
Fire District

A true copy of Warrant: Attest

FRED O. WHITMAN
JACKSON M. HUNT
L. EARL NICHOLS

Commissioners
of the
Warner Village
Fire District

We hereby certify that we gave notice to the inhabitants within named to meet at the time and place and for the purpose within mentioned by posting up an attested copy of the Warrant at the place of meeting within named, and a like attested copy at the Warner Post Office, being a public place in said town, on the 24th day of February, 1986.

FRED O. WHITMAN
JACKSON M. HUNT
L. EARL NICHOLS

Commissioners
of the
Warner Village
Fire District

The above signed Fred O. Whitman, Jackson M. Hunt and L. Earl Nichols appeared before me this 5th day of February, 1986, and subscribed their names to the above instrument.

BARBARA ANNIS
Notary Public

TOTAL			\$545,822.00

**WARNER VILLAGE FIRE DISTRICT
COMMISSIONERS' REPORT
ON THE WATER AND SEWER SYSTEMS**

We, the Commissioners, are pleased to inform you that via the persistence of our past Commissioner, Wes Manning, the untiring efforts of our Precinct Attorney, Brackett Scheffy, the support of local, state and national politicians, the following was achieved for this District. The United States Environmental Protection Agency, in their final audit of our sewer plant construction project had a claim against this District in the amount of \$1,350,344.00. Through the efforts of the above mentioned parties, the EPA settled their claim in our favor, in the amount of \$1,008.00, rather than the amount mentioned above as balance due the EPA. We sincerely appreciate the assistance rendered by all in resolving this matter.

Due to heavy increases in insurance costs, we were forced to curtail our planned improvements to our system(s).

Hopefully, 1986 will bear fruit for this District as concerns our applications to the Office of State Planning for the State of New Hampshire. The latter concerns completion of a feasibility study for water and installation of a water storage system.

FRED O. WHITMAN, Chairman
JACKSON M. HUNT
L. EARL NICHOLS
Commissioners

**WARNER VILLAGE FIRE DISTRICT
SUPERINTENDENTS' REPORT
ON THE WATER AND SEWER SYSTEM**

WATER DEPARTMENT:

Since our artesian well house and chlorinator buildings had not been painted since 1978, we applied a new coat of paint to both of the above. Further, we applied a new roof to our gate house building and have programmed painting of same for the summer of 1986. Our gate house was constructed in 1911 and due to the above improvements, we look forward to many more years of faithful service to this community.

At our chlorinator building this past May, we rebuilt our chlorine pumps and thus lengthened their useful life expectancy to our community's service.

Due to infiltration of our water shed area, water quality problems are of major concern to us all. However, through proper monitoring and testing of our system, we will make every effort to provide quality water to this community.

WASTEWATER DEPARTMENT:

I, the undersigned, am acting Superintendent of the Treatment Plant with Ms. Vickie Abby assisting in the operation of same. Ms. Abby is a very capable assistant and fulfills all testing requirements in a highly professional manner.

We are still experiencing difficulty in our precinct vehicle as concerns the 4-wheel drive mode of operation. Further, our vehicle will be sand blasted and completely refinished this coming year and thus extend its useful life to this facility.

Again this year, the following is quoted for the benefit of all concerned:

No person shall discharge or cause to be discharged any of the following prescribed waters or wastes to any public sewers:

Any gasoline, benzene, naphtha, fuel oil, or other flammable or explosive liquid, solid or gas, toxic or poisonous solids, liquids or gases.

THOMAS CHANDLER
Acting Superintendent

TOWN OF WARNER

BUSINESS MEETING 1985

Moderator Donald Gartrell read the results of the voting for officers of the previous day.

2. To see if the Town will vote to amend the Zoning Ordinance as follows:

The C-1 (in the Pleasant Lake) area to be increased to encompass the property now known as Exit 7 Motel & Restaurant (Map 26 Lot 23). [Planning Board recommends approval.]

Yes 227 No 35

ADJOURN: FOR BUSINESS MEETING
WEDNESDAY, MARCH 13, 1985 at 7:30 P.M.

3. To see if the Town of Warner will raise and appropriate the sum of \$2,400.00 for the Kearsarge Children's Center Inc. to cover the yearly usage fee incurred from the Community Action Program. (Submitted by petition...not recommended by the Budget Committee and not included in the budget).

Yes 128 No 91

4. To see if the Town will vote to maintain the portion of Gore Road beginning at the turnaround at the end of the presently town maintained section of said Gore Road and extending fourteen hundred (1400') feet more or less to the driveway of the premises now owned by John Green, and to appropriate the sum of \$10,115.00 for the repair thereof. (Submitted by petition...not recommended by the Budget Committee and not included in the budget).

Yes 126 No 92

5. To see if the Town will vote to accept as a Class V Highway and maintain that portion of Rangeway Road beginning at the turnaround at the end of the presently town maintained section of Rangeway Road and extending more or less to the property of Robert Voke, and to appropriate the sum of \$11,000.00 for the repair of said road. (Submitted by petition...not recommended by the Budget Committee and not included in the budget).

Yes 104 No 105 Reconsidered Yes 66 No 40

6. To see if the Town will raise and appropriate the sum of \$94,000.00 (Ninety-Four Thousand Dollars) for a grader for the Highway Department. Fifty Thousand Dollars (\$50,000.00) to be withdrawn from the Capital Reserve Fund plus any interest that has accrued; authorize the withdrawal of Ten Thousand Dollars (\$10,000.00) from the Federal Revenue Sharing Fund; authorize the Board of Selectmen and Town Treasurer to borrow Twenty-One Thousand (\$21,000.00) on note or notes of the town to be paid off in the sum of Seven Thousand Dollars (\$7,000.00) plus interest annually until said note or notes are paid in full and the balance (\$13,000.00) to be raised by taxation. (Recommended by the Budget Committee and included in the budget).

Yes 152 No 46

7. To see if the Town will raise and appropriate the sum of \$44,000.00 (Forty-Four Thousand Dollars) for a loader for the Highway Department, and authorize the Board of Selectmen and Town Treasurer to borrow Nine Thousand Dollars (\$9,000.00) on note or notes of the town to be paid off in the sum of Three Thousand Dollars (\$3,000.00) plus interest annually until said note or notes are paid in full and the balance (\$35,000) to be raised by taxation. (Recommended by the Budget Committee and included in the budget).

Yes 153 No 33

8. To see if the Town of Warner will raise and appropriate the sum of \$3,000.00 (Three Thousand Dollars) to be placed in a Capital Reserve Fund for the purpose of the Police Department (Cruiser). (Recommended by the Budget Committee and included in the Budget).

Passed

9. To see if the Town will authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes on the note or notes of the town.

Yes 81 No 6

10. To see if the Town will raise such sum of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Passed

11. To see if the Town will vote to establish a board of five Cemetery Trustees, initially comprised of the incumbent Trustees of the New Waterloo Cemetery and additional trustees to be elected for terms of one to three years so that no more than two vacancies shall occur in any one year, said Cemetery Trustees to be elected to three-year terms thereafter and to be responsible for the maintenance of all Town-owned cemeteries and the expenditure of funds therefor.

Passed

12. To see if the Town will vote to establish a Cemetery Maintenance Fund, consisting initially of \$1,158.92 plus interest accumulated thereon which was derived from lot sales in the New Waterloo Cemetery and other miscellaneous sources, and to be supplemented by revenue from cemetery lot sales to be used for maintenance of Town-owned cemeteries by the Cemetery Trustees.

Passed

13. To see if the Town will vote to re-establish a Capital Reserve Fund for the improvement of the New Waterloo Cemetery (per vote of the March 1973 and 1974 town meetings), consisting initially of \$3,500.00 plus interest accumulated thereon and that the Cemetery Trustees be appointed agents for purposes of expenditure of such funds pursuant to RSA 31:19-a.

Passed

14. To see if the Town will vote to authorize the Board of Selectmen on behalf of the Town to enter into a cooperative agreement, pursuant to RSA 53-A, for the purpose of joining together towns and cities in a joint and cooperative effort for the disposal of solid waste in a manner which will meet federal and state regulations and for

the economical and efficient recovery of energy from said solid waste disposal. The Cooperative to be formed under the cooperative agreement will be designated the "Concord Regional Solid Waste/Resources Recovery Cooperative." A copy of the current draft of the proposed cooperative agreement is posted with the warrant and is available at the town offices during normal business hours. The Board of Selectmen is specifically authorized on behalf of the Town (a) to execute and deliver the cooperative agreement (with such changes therein from the posted agreement as the Board of Selectmen shall approve, such approval to be conclusively evidenced by the Board of Selectmen's execution thereof) and such other instruments, documents and agreements as the Board of Selectmen may deem necessary or desirable in furtherance of the purposes of the cooperative agreement; (b) to cause to be performed all obligations which may from time to time be required pursuant to the terms of the cooperative agreement; and (c) to take action relative thereto.

Passed over to adjourn to June 12, 1985. At adjournment, passed.

15. To see if the Town will vote under RSA 31:95-b to permit the Board of Selectmen to apply for, accept and expend gifts and grants on behalf of the Town of Warner.

Passed

16. To see if the Town will vote to authorize the Tax Collector to accept prepayment of taxes.

Passed

17. To see if the Town will authorize the Board of Selectmen to sell property taken for taxes and to notify abutting property owners of pending sale.

Passed

18. To see if the Town will vote under RSA 31:39 to permit the Board of Selectmen to adopt by laws on behalf of the Town of Warner until the next annual meeting.

Passed

19. To hear reports of the Officers of the Town heretofore chosen and Committees appointed and pass any vote relating thereto.

Passed

20. To transact any other business that may legally come before said meeting.

None taken up.

TOWN MEETING
196025 YEARS

March 8, 1960

1. To choose all necessary Town Officers for the years ensuing.
2. To raise such sum of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. Voted \$61,679.63.
